

PUBLIC NOTICE FOR January 2015 to December 2017

Monitoring and Reporting Violation of the Safe Drinking Water Act

TOWN OF HURLOCK

4/26/2018
date of notice

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During **January 1, 2015 to December 31, 2017**, we did not complete testing for **Fluoride** and therefore cannot be sure of the quality of our drinking water during that time.

A - Reason(s) for failure to collect, test, and report January 2015 to December 2017 results for fluoride:

B - Reason(s) for failure to report January 2015 to December 2017 test results for fluoride:

Contract lab failed to collect Fluoride during this period.

Additional testing will be conducted during 2018. For additional information contact
